

Ray Stoyko

(1952-2007)

Ray Stoyko was elected the President of The Winnipeg Teachers' Association in April, 2007. Prior to his full-time involvement with The Association, Ray taught English and Drama at Kelvin High School. He had a passion for the classics—both in literature and in art. He was a great supporter of local artists, including a number of his colleagues. As much as Ray had a passion for the arts, he had a greater passion for his profession—teaching. He was a true educator that instilled his love for literature and the arts into the minds of his students. Ray encouraged students to reach for the potential he knew they possessed.

Ray's passion and dedication continued into The Association and for his fellow colleagues. One of his priorities for this organization was communication and member engagement. He knew that as the world and Winnipeg School Division were change/evolving—so must The WTA. Ray knew the importance of The Association. He believed in The WTA and for what it stands.

When Ray was the Chairperson of the Public Relations Committee, he advocated for and instituted the first WTA scholarships, awarded to a graduating student from each Winnipeg School Division High School. These scholarships continue to be awarded annually.

Ray was very proud to be the President of The Winnipeg Teachers' Association. He was known as a quiet, intelligent, quick-witted, and thoughtful man. The Winnipeg Teachers' Association is pleased to offer this scholarship in honour of his service.
