

Current Salary Grids for the period commencing September 1, 2010 and ending August 31, 2014

NOTE: The following salary grids are a member's salary for the school years provided. Please be advised that this grid reflects the deduction of the dental premium. If you wish to check that you are being paid the correct salary, take the gross salary from your last pay period (as found on your Employee Connect statement) and multiply by 24. The resulting amount should be within one or two dollars of the amount found on the corresponding grid.
