

The Fab Five Conference for Teachers in their First Five Years

Wednesday, October 21st (evening) and Thursday, October 22nd, 2015

CALL FOR PROPOSALS

Each fall for the past six years, the Manitoba Teachers' Society has offered *The Fab Five* – a set of inspiring and practical workshops and networking opportunities for teachers in their first five years of service. The feedback from participants has been extremely positive. Workshops have focused on topics such as Inclusive Education, EAL Strategies, Classroom Management, Planning for a Substitute Teacher, Working with Parents, Wellness topics and more.

This fall we will again hold The Fab 5 just before the SAGE Conference day so that teachers travelling in from outside of Winnipeg can combine Fab 5 with a SAGE conference of their choice in one trip.

We are looking for presenters willing to share on topics that encourage and support teachers new to the profession. ***We would appreciate it if you could publicize this Call for Proposals within your Teachers' Association.*** Interested teachers are encouraged to complete the attached form and send it to Lia Baksina (lbaksina@mbteach.org) or Linda Thorlakson (lthorlakson@mbteach.org).

We will confirm presenters by the end of April. We may not be able to accommodate all submissions in the 2015 program, but we encourage all teachers interested in this opportunity to submit proposals.
